Nicholas K. Akins, Chief Executive Officer
AMERICAN ELECTRIC POWER

Dear Mr. Akins,

Recently I became aware that your corporation accepted monies from the 'federal government' to install smart meters on the homes and businesses of your customers. Please note: I was not a party to that contract.

Attached is my lawful notice regarding the installation of a smart meter on my home. It represents a lawful denial of consent.

I do hereby request that my denial of consent notice be filed in your records and that AEP's smart meter installers be so informed.

I DO NOT CONSENT to having a smart meter or an analog wireless transmitter placed on my home or property.

Appreciatively,

SMART METER NOTICE (SAMPLE)

As a customer of **AMERICAN ELECTRIC POWER COMPANY, INC, COLUMBUS OH**, I declare the following:

I am aware that **AMERICAN ELECTRIC POWER COMPANY, INC (AEP)** wishes to install more smart meters on properties in **OHIO** and have sought the approval of the **PUBLIC UTILITIES COMMISSION, OHIO** to achieve that goal. **AEP** was chartered to provide a public utility service.

I am aware that a national health organization, [the American Academy of Environmental Medicine, issued a warning](#) in January 2012 about the detrimental health effects of smart meters on men, women and children.

I am aware of multiple scientific peer-reviewed papers that have exposed the health and safety dangers of smart meters, to include the [BioInitiative Report of 2012](#).

I am aware that some electric corporations in the **STATE OF OHIO** have made continued electric service contingent upon customer's permitting smart meters to be attached to their homes and/or businesses. These corporations have endangered their customer's health and safety by denying the customers access to the public utility the corporations were chartered to provide at a reasonable cost.

I am aware that the **PUBLIC UTILITIES COMMISSION, OHIO** is a private corporation listed on Dun and Bradstreet and headquartered in **COLUMBUS, OH**.

I am aware that **Todd Snitchler, Asim Haque, Steven Lesser, Lynn Slaby, and M. Beth Trombold** have been appointed by the Governor to serve as **COMMISSIONERS** for the **PUBLIC UTILITIES COMMISSION, OHIO**. Their decisions are influenced by a) the **EXECUTIVE OFFICE STATE OF OHIO** (Governor) as well as b) the 'fiscal' health of their corporation. Therefore, I do not recognize them as health protection agents.

I am aware that smart meter safety guidelines were established by the **FEDERAL COMMUNICATIONS COMMISSION**, listed as a private corporation on Dun and Bradstreet and headquartered in **WASHINGTON DC**. I do not recognize the **FCC** as a health protection organization. The guidelines they establish are influenced by the 'fiscal' health of their private corporation.

I hereby deny any employee of AMERICAN ELECTRIC POWER permission to place a smart meter or wireless analog meter on my house. The Officers of **AEP: Nicholas Akins, Robert Powers, Brian Tierney, David Feinberg, Lana Hillebrand, and Dennis Welch** have no lawful jurisdiction to harm my health or the health my family members. Should AEP employees install a smart meter on my property without my consent, I will use all lawful and legal remedies to hold these officers personally - and in their official capacity - liable for any and all harm caused by this dangerous device.

*NOTE: This document can be used to protect **AMERICAN ELECTRIC POWER** from any punitive statutory actions or penalties of the **EXECUTIVE (CEO) of the UNITED STATES, the DEPARTMENT OF ENERGY, the DEPARTMENT OF DEFENSE, the EPA or any other government corporations or subdivisions thereof.***
